7:30 for the meeting - Steve Paulson, program

Bring: Holiday sweets - (Buckie has Ham, Chicken, and Salad, drinks, plates, and tools.)

Who: All SCCC official members - if you did not sign at the last meeting, please email crabby@aol.com so that we can get a closer food count.

Club Presents Informative Program

SCCC members had a fun and informative presentation last Wednesday evening courtesy of our host and club member, Jim Hartje and presenters and club members Chuck Peterson and Steve Paulson.

Chuck provided superb information for portrait lighting using a single light source and reflectors. The modeling lights showed the effects on the model. The simplicity provided a method that everyone in attendance should be willing to try on club entries.

Steve expanded on Chuck's set-up and used a digital camera to show immediate comparisons of multiple lighting and interesting background effects. And, Steve provided another very direct and simple approach to lighting a group without multiple shadow interference. Everyone left with great information to either begin or expand their "people" photography.

Thanks to everyone that made this club event possible, including the members that registered to attend the event.

Focus on Fun Update

At the present time I have commitments from middle school photography advisors from Woodrow Wilson Middle School, East Middle School, Hoover Middle School, and two of the Sioux City Catholic Schools. I still need an advisor for West Middle. I plan on holding a organizational meeting before Christmas if possible. At that time, we will start the planning process for the program to begin in the middle of February.

Any club member who would like to be on a committee I am forming to work on this project please e-mail me at Dadtorch1@aol.com. I really need your support on this very worthwhile project. Thanks for your support.
