LONDON SALON VISITS SCCC for November Program

◆ For the second consecutive year a program from the 2000 London Salon of photography will be presented to the Sioux city Camera Club at our November 8 meeting.

◆ The program consists of slide copies of prints accepted for exhibition at the 2000 Salon.

◆ A tape commentary by London Salon member Irene Froy accompanies the slides for the hour long program. As in the past the program will be presented in two sections with the coffee break in between.

◆ Digital dandies will be pleased to hear that the Salon contains a great many digital images of one form or another. Yet standard print makers are represented with a variety of print techniques resulting in interesting prints.

From the Pen of President Steve Peterman

We still need judges for prints in and slides in December, if any would like to be a judge let me know.

A Helping Hand: The Dunlops, part of the MRC family, are currently in need of a "Helping Hand" in the way that only MRC can give one. Marty Dunlop has been placed on bed rest for medical concerns as she awaits the arrival of their fourth child. Her husband, Mike Dunlop, was deployed to Saudi Arabia with the 185th on Monday, October 8. During Mike's absence, this family needs our help. They need prepared meals to be brought to their home as well as rides to and from the Cherub Choir for Kylee and to and from Logos for Jennifer on Wednesday nights. If you can help this family in any way, please contact Bonnie Van Holland at 239-2288 or sign up at the Information Center. Thank you!
