

Sioux Scope

A Newsletter for the Sioux City Camera Club

September, 2001

Welcome

Welcome to another year with the Sioux City Camera Club. I am Carl Hardy, your new Sioux Scope editor. If you have any news during the year which would be of interest to our membership please e-mail me at (dadtorch1@aol.com).

New Meeting Place Announced

The First Presbyterian Church gave it's approval to hold the meetings the second and the last Thursday or each month.

The Church is located at NE corner of 6th and Nebraska Streets. Enter through the Nebraska Street side entrance, and proceed straight down the hall. All meetings will be handicap available.

Parking for the first meeting will be available street side, in the parking lot right north of the church, or in the Hotel Warrior parking lot across the street.

The second meeting of September, and probably both meeting in October will be a little more crowded for parking space, as the North lot will be in the process of being resurfaced and leveled.

There is a small kitchen at the meeting hall, a soda machine down the hall, and plenty of good chairs. The meeting room is equipped with a digital projector which we can use when needed.

Please, let's try to leave the place cleaned up when we are ready to leave.

There are several places to leave the print box, so hopefully we can have it there for the first meeting, because I assume we may have winners to show for the N4C Convention.

See you all the first meeting on September 13th. I understand that there will be an interesting show and tell program.

Dinner Meeting for September

Come join us for dinner at Charlie's Restaurant at the Holiday Inn on Gordon drive starting at 6 p.m. for both September meetings (September 13 and September 27).

A Message Introducing Midwest Photo Co.

I wanted to take a moment to introduce myself as the new Sales Manager for Midwest Photo Co. If you are not acquainted with MPC, we are the largest commercial photo lab in the Tri-State Area. MPC is a full service processor, offering both Traditional photo's and the broadest line of Digital Services. We cater to High Quality Artists. Often LightJet digital imaging is our recommended prints for the photography industry. If your club would like product catalogs, samples, or a personal visit please contact me at my email, or call me at 1-800-228-7208 to discuss your interests.

Sincerely
Bruce A. Lechowicz

PROGRAMS, GET YOUR PROGRAMS !

Tape recorded lecture/slide programs are available to all N4C members. They are listed in the N4C HANDBOOK & DIRECTORY on pages 16, 17, & 18. It should be stressed that not only are they available for club use, they can also be viewed by any member of N4C.

For example; if you want to see a particular program and it doesn't fit into your club's schedule, by all means go ahead and request it. Have some friends over and learn together and enjoy it. Requests are to be sent to: Case Hegeman
807 S. 3rd. Ave. Marshalltown, Iowa 50158
