Focus on Fun Update

We finally have all of the middle school advisors in place. I will be setting up an organizational meeting with the advisors and presenting them with the particulars of the program including a brochure and organizational materials which I have prepared.

Now is the time for any interested club member to contact me. I need your support and help with this important program. Please e-mail me at dadtorch@earthlink.net ASAP. I will set up a planning committee meeting as soon as I get some interested participants. We are also recruiting a helping committee from the City of Sioux City.

The plan is to have everything in place and a start-up time by the 2nd week in February. The program will last 5 weeks with a final week for a picture taking field trip followed by the Big Show and Contest.
