HERKIMER JERKOWICH CHALLENGE

Remember at the November meeting when Herkimer Jerkowich, asked other print makers (digitalis) in the club to accept the following challenge. To make a print from Herkimer's own negative, the one he used in the wet process and did not manipulate. He said it was not necessarily to create a print of like quality (how could they) but to manipulate, create, derivate or whatever to produce another impression of the subject matter.

Well, the challenge was taken up by Charles D. Digital (AKA) Chuck Peterson.

At the December meeting Mr. Peterson displayed his print from the negative of Herky. Not quite the same. Mr. Peterson passed on the challenge of duplicating the full range of blacks that Herky produced.

To be continued.....

LOCAL PERSPECTIVES ON EXHIBIT UNTIL JANUARY 11, 2004

It's your last chance to see the brilliant work displayed of present and former SCCC members selected for Local Perspectives 2003. Photographs will on exhibit to January 11, 2004, at the Sioux City Art Center.
