Sioux City Camera Club Newsletter
MAY 2004

THANKS, THANKS, THANKS, THANKS, THANKS, THANKS

TO OUR OUTGOING OFFICERS who have been a guiding force for two years

President - Jim Hollander

Secretary/Treasurer - Marcia Crabb

THANKS, THANKS, THANKS, THANKS, THANKS, THANKS

FROM THE EDITORS:

What a year the club has had. MANY THANKS TO ALL CLUB MEMBERS for their skills, dedication and gift of time to help with programs, judging and treats. Also, we, the newsletter editors, appreciate you "stringers" who have supplied us with information on exhibits, competitions and interesting debates on photography. The newsletters would have been nothing without you.

This newsletter lists winners for April club judging, club year-end judging, and N4C results of March and April. Look for another newsletter sometime next week that will have the schedule for next year and other "new and important" information on club competition.

FRAN KINGSBURY - TOP NORTH AMERICAN EXHIBITOR - PSA

Congratulations to our famous SCCC photographer who is in the top 10 Large Monochrome Pictorial Print - PSA. There were 41 exhibitions with 63 separate judgments.

CLUB OUTREACH YIELDS RESULTS by Bob Gillespie

Two years ago the Sioux City Camera Club provided logistic support for the Sioux City Public Library sponsored photography contest. Club members judged the contest and attended the awards ceremony.

Ben Stewart won the High School Division and the Grand Prize, plus a membership to the SCCC.

Our SCCC judges recognized this talent and he has gone on to bigger things. Ben recently submitted a picture to Teen, Inc. Magazine and his photo made the May 2004 cover.
