## **FROM THE EDITORS:**

Note in the print judging, this time only, that Chuck has asked the print makers to rank their work by marking on the back of the print which one they think will do the best. Therefore mark a 5 on the back of your "best print", 3 for the next, and a 1 for the "least best." Chuck states that this is just for fun, and will explain it all the night of the judging. Hmmm!

## **STILL TIME - SLIDES FROM DIGITAL FILES**

Larry Crabb has pushed back his run date on processing digital files to 35 mm slides to the middle of February. Price is \$1 per slide.

Please leave your CD at his home, on the bench by the back door/garage, bring to the February 10 meeting, or call/e-mail to make other arrangements. [crabby@aol.com](mailto:crabby@aol.com). Refer to the November 2004 newsletter for procedure to make slides from digital files.
