

The Sioux Scope

OFFICIAL PUBLICATION OF THE SIOUX CITY CAMERA CLUB

N4C CONVENTION ISSUE

JULY 7, 8, and 9th, 1967

Welcome to SIOUX CITY

Sioux City Camera Club extends its greetings to all N4C'ers and hopes that you have a wonderful time at our three day Convention.

Much advance planning went into this convention with many last minute details and a few problems that had to be solved. This has been a full club participation project, and we have had some very enjoyable evenings working towards this goal. We hope you will leave with the opinion that this was one of the best conventions ever.

Sioux City was the home of the first N4C Convention, and the birthplace of the now well-known slogan, "Where names become faces and faces become friends."

The Council was formed by Dr. Robert M. Cochran, APSA, of Omaha, Francis A. Kingsbury, APSA, of Ponca, and the late E. Curtis Lugg of Sioux Falls. There were twelve charter clubs in 1955, and the membership in 1967 is now 58 clubs, with nearly 2,000 members. Currently the Council area comprises the States of Kansas, Missouri, Iowa, Nebraska, South Dakota, North Dakota, Minnesota, Wyoming and Montana.

This issue of THE SIOUXSCOPE contains much information that we hope you will take the time to read at some time. The pages are color-coded for easy reference. Along with the pre-registration lists are pages devoted to the convention, photographic information, and some quotes from previous issues of this same publication.

Once again, we certainly hope you have a wonderful weekend.

Sincerely,

Gilbert L. Ducommun Club President & Chairman

CHANGES IN THE PRINTED PROGRAM

Because of some conflicts with other college activities we have had to make some last minute changes in location of classes.

Both the 1:00 P. M. and the 2:00 P. M. lectures on Saturday will be held in the New Eppley Fine Arts Building on the southwestern part of the campus. We hope this short walk will not inconvenience any of you, and possibly you may even enjoy it.

The 8:30 P. M. program Saturday evening will also be held in the Eppley Fine Arts Building.

PICNIC.....AUGUST 15, 1967

By invitation of our newest club members, Chuck and Marti Peterson, we have been extended an invitation to hold our annual picnic at their home located at 4631 Meadow Lane. They have also offered the use of their swimming pool, croquet, and trampoline. Swimming will be from 6:00 p. m. until 7:30, followed by our picnic, colored slides for June, which were cancelled because of the storm, and also the exchange of slides with the California Club.
